

What we ask of our customers:

1. Seating will be available indoors and spaced out. Outdoor seating is available, with 20-foot distance between tables.
2. Six-foot spacing will be established for restroom queues. Disposable gloves will be supplied to use the restroom and available via no-touch dispenser.
3. Minors must be within arm's reach of their parents at all times.
4. Extra napkin and sanitizer stations have been posted outside.
5. Menus will be posted on no-touch displays to limit contact. Electronic menus are available via our website.

What we ask of ourselves and our staff:

1. All surfaces including door knobs, counters, tables, benches, etc, will be sprayed down with industrial-strength virucide regularly.
2. Flatware will be sanitized per standard practices and immediately packaged with newly gloved hands in disposable sleeves for customer use later.
3. Foot pulls have been installed on the exterior and bathroom doors.
4. Employees with any symptoms, even mild or seemingly unrelated, will be asked to stay home.
